## **Michigan Motorz Remanufactured Engine Warranty**

### **WARRANTY TERMS:**

Michigan Motorz warrants its Remanufactured Engine to the original purchaser to be free of defective parts and workmanship for the time shown below. This warranty begins on the date of original retail delivery or original use, whichever occurs first. Repairs or replacements under warranty will not extend the warranty coverage. No benefits or remedies are available under this limited warranty while the invoice for the unit or related services remains outstanding. This warranty is Non-Transferable. If any part of a remanufactured engine assembly fails in normal use because of defective parts or workmanship performed by the manufacturer and is returned to us, then it will be repaired or the assembly replaced. The alleged defective part of the assembly **MUST** be returned to the manufacturer, at your cost (properly supported by filled out claim forms and receipts), for inspection and credit consideration in order for the Replacement coverage to be applicable, as specified below.

**ALL WARRANTY REPLACEMENTS AND FIELD REPAIRS MUST BE PRE-APPROVED. A REFERENCE NUMBER MUST BE OBTAINED BEFORE ANY SERVICE IS PERFORMED.**

**Marine Long Block** . . . 12 Months/Unlimited Hours for pleasure craft use.

**REPLACEMENT** - Labor will be paid according to flat rate time at your current shop labor rate not exceeding \$50.00 an hour. Maximum labor for marine engine replacement is 10 hours or \$500.00, whichever is less.

**FIELD REPAIRS** - Parts supported by the manufacturer or by customer at cost. Labor will be paid according to flat rate time at your current shop labor rate not exceeding \$40.00 an hour. Maximum time/labor allowance for field repairs shall not exceed replacement time/labor amount.

**WARRANTY ONLY COVERS DEFECTIVE MATERIAL INSTALLED BY THE  
MANUFACTURER OR DEFECTIVE LABOR PERFORMED BY THE  
MANUFACTURER.**

### **WARRANTY DISCLAIMER**

**THE FOREGOING WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OR MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**

This warranty is the only warranty made by the manufacturer or the seller applicable to its engines. This written warranty is understood to be the complete and exclusive agreement between the parties, superseding all prior agreements, verbal or written, and all other communications between the parties regarding any warranty. No installer, distributor, or any employee or agent is authorized to state or imply any additional warranties, nor to assume any of its products unless made in writing and signed by an official of the manufacturer.

In no case shall the manufacturer of the seller be liable for any special incidental or consequential damage (including without limitation, loss of profits, loss of revenue, cost of capital, cost of substitute equipment, down time, claims of third parties and injuries to person or property) based upon breach of warranty, breach of contract, negligence, strict liability in tort or any other legal theory.

### **LIMITED WARRANTY ADJUSTMENT PROCEDURES AND OTHER LIMITATIONS**

Contact the manufacturer before proceeding with any warranty work. Have the following information ready when calling:

- Stock number and serial number of engine from data tag attached to engine
- Date of installation
- Nature of problem or defect

The manufacturer will advise if repair is minor and can be made by installer. A warranty claim form will be supplied and must be completed and returned with the customer's Repair Order, with defective engine or parts.

### **INSTALLERS RESPONSIBILITY**

Please make sure the following is adhered to:

1. Explain warranty coverage and service procedures to the owner and assure owner's manual is given to boat owner
2. See that the Certificate of Installation card is complete and mailed.
3. Diagnose all complaints to determine the cause. If cause is not due to material or labor furnished by the manufacturer, request for credit should not be submitted.

**WARRANTY ONLY COVERS DEFECTIVE MATERIAL INSTALLED BY THE MANUFACTURER OR DEFECTIVE LABOR PERFORMED BY THE MANUFACTURER.**

## OWNER'S RESPONSIBILITY

You've made an excellent choice in purchasing a Michigan Motorz Remanufactured Engine. To insure long engine life and trouble-free performance, it should be properly maintained. This includes, but is not limited to:

1. Oil and filter change after initial 10 hours. Then, regular oil and filter changes every 50 hours or once a season, whichever occurs first.
2. Regular check of all fluid levels throughout the engine. Engine oil must be at a safe level regardless of engine condition. Damage caused by running the engine without adequate oil in the crankcase is not covered under this warranty.
3. Tune-up, belt, filter and hose replacement at necessary intervals or whenever substandard performance is experienced.
4. Cooling system must operate at normal temperature. Thermostat, water pump, leaks and corrosion are the responsibility of the boat owner. Freezing or low coolant level damage is not covered under this warranty.

We recommend you keep all engine installation and service records with the owner's manual. You may be required to provide proof of maintenance records in the event a customer service/warranty situation arises.

There are many things that can cause an engine to fail over which the manufacturer has not control, and are not covered by this warranty. Some of, but not all of the reasons are as follows:

1. **Holes burned in pistons** caused by detonation. Be sure engine is installed and tuned properly.
2. **Sucked valves** on cylinder heads caused by improper timing.
3. **Excessive operating temperatures.** Excessive temperature can be injurious to engine life. There are many causes for excessive engine temperature over which the manufacturer has no control.
4. **Improper or lack of lubricant.**
5. **Water intrusion** from any source outside of manufacturer defect.

## **WHAT IS NOT COVERED**

1. **Fluids**

Warranty repairs or replacements occurring in the first 30 days of engine service will include a maximum fluid and filter allowance of \$25.00. After that time, fluids are not covered under warranty.

2. **Damage Due to Alterations, Misuse, or Accidents**

Repairs required as a result of fire, accidents, abuse, freezing, negligence or objects striking the engine, or misuse of the engine such as overloading racing, etc.

Improper adjustments, modifications, tampering disconnection, alteration (changing or adding to the engine), adjustments to components not complying with the Manufacturer's specifications, improper propeller selection, or operator error.

Subjecting engine to operations causing greater than normal wear, or used for any purposes for which it was not originally designed, or to engine failures due to improper installations by a party other than the manufacturer or improper units or parts on engine that were not supplied by the manufacturer and any other causes as herein specified.

3. **Damage From the Environment**

Hail, windstorms, lightning, floods, freezing, and other Acts of God.

4. **Damage Due to Improper Maintenance**

Repairs required due to lack of or improper maintenance or failure to use recommended fuel, oil, and lubricants, or engine operated on any fuel other than gasoline, or water contamination from an outside source.

5. **Routine Maintenance Expenses**

Routine regularly required maintenance such as lubrication and changing filters, engine tune-up and replacing belt, hoses, exhaust manifolds, or any other normal maintenance service all boats require.

6. **Extra Expenses**

This warranty does not cover incidental or consequential damages such as loss of use of the boat due to engine failure, towing charges, lift charges, storage or dock charges, rental or other substitute transportations, loss of time, inconvenience, expense for gasoline, telephone or fax charges, travel or lodging, loss or damage to personal property, commercial loss, loss of revenue or other matters not specifically included. Some states do not allow the exclusion or limitation on how long an implied warranty lasts, so the above limitation or exclusions may not apply to you.
