

3.0L MerCruiser Complete Engine Package (INBOARD & V-DRIVE)

Model : Mc3000-IBD

Manufacturer : MerCruiser

Michigan Motorz has the 3.0L MerCruiser Complete Engine Package (INBOARD & V-DRIVE Applications). This 3.0L MerCruiser engine is rated at 135hp at the crank shaft. Single-piece iron intake-exhaust manifolds, Delco electronic ignition system, thermostatically-controlled, raw water cooling system. Optional items for the 3.0L MerCruiser Engine Package include: transmission (pictured), power steering and freshwater cooling system. This 3.0L engine is modified to work in true INBOARD and V-DRIVE applications. Additional components which are not included in the standard 3.0L sterndrive engine package: raw water pump, transmission oil cooler, inboard bell housing, damper plate, and appropriate brackets & mounts. This engine package and 100% of the components are brand new and includes a two year limited warranty. **RELIABILITY**

- Extra large displacement produces power with good torque
- EST Analog Ignition system ensures reliable starts
- Industry-exclusive 3-year limited corrosion failure warranty
- Proven GM cast iron block for years of reliable operation
- Single-piece intake/exhaust manifold reduces number of components and gaskets for more reliable service
- PERFORMANCE**
- Optimized intake manifold for improved fuel atomization, smoother power delivery
- Revised fuel calibration for crisp acceleration and improved running quality
- Optional anti-feedback power steering helps reduce operator fatigue and makes boat handling a breeze
- Low restriction flame arrestor for added horsepower and torque
- EASY OWNERSHIP**
- 3-year/300 hour maintenance interval on many periodic service items saves time and money
- Easy Oil Drain system is cleaner and makes periodic service simple and less work
- Color-coded service points makes checking fluid levels simple and straightforward
- Operates on easy to find, less expensive 87 octane fuel

3.0L MerCruiser Complete Engine Package (INBOARD & V-DRIVE)

- Engine-mounted drive lube monitor for easy lube check or add from inside the boat
- Easy water drain & flush system is standard There is a \$300.00 (refundable) core/crate fee in addition to the price of this engine.
